

Companies That Support Clean Technologies Across a Sampling of States

ALABAMA

Alabama had over 7,800 clean energy jobs from nearly 800 companies as of 2007.¹

- Sampling of companies providing pollution control systems, equipment, supplies, or services (for sulfur dioxide, nitrogen oxides, or particulate pollution)²:
 - Pollution Control Services, Foley, AL

ARKANSAS

Arkansas had over 11,000 clean energy jobs from over 1,100 companies as of 2007.³

All companies and employment info below, unless otherwise noted with a footnote, come from the Environmental Defense Fund's Green Jobs Map.⁴

- Sampling of companies supporting energy efficient equipment or appliances:
 - Harry G. Barr Company, Fort Smith, AR – over **100 employees**
 - Central States Manufacturing Inc., Lowell, AR – over **50 employees**
 - Modern Window and Door, Hot Springs, AR – over **50 employees**
 - Siplast Inc., Arkadelphia, AR – Over **50 employees**
- Sampling of companies supporting renewable energy:
 - Chemtura, El Dorado, AR – over **5,000 employees**
 - Owens Corning, Fort Smith, AR – over **5,000 employees**
 - Tyson Foods, Inc., Springdale, AR – over **5,000 employees**
 - LM Glasfiber, Little Rock, AR – **630 employees**⁵
 - FutureFuel Corp. – **464 full-time employees**⁶
 - Priority Wire and Cable Inc., Little Rock, AR – over **100 employees**
 - Window Mart, Royal, AR – over **100 employees**

Companies That Support Clean Technologies Across a Sampling of States

- Nordex USA, Jonesboro, AR – **70 employees**⁷
 - Guardian Industries Corp., Rogers, AR – over **50 employees**
- Sampling of companies supporting alternative fuel/high efficiency vehicles:
 - ElectroCraft Arkansas Inc., Searcy, AR – **125 employees**⁸
- Sampling of other green businesses:
 - Evergreen Packaging, Pine Bluff, AR – **over 1,000 employees**⁹
 - Southwest Power Pool Inc., Little Rock, AR – **400 employees**¹⁰

CALIFORNIA

California has over **125,000 clean energy jobs from over 10,000 companies as of 2007**.¹¹

- Sampling of companies providing pollution control systems, equipment, supplies, or services (for sulfur dioxide, nitrogen oxides, or particulate pollution)¹²:
 - Holz Rubber Company, Lodi, CA
 - Nalco Mobotec, Orinda, CA
 - Mitsubishi Power Systems Americas, Inc., Newport Beach, CA
- Sampling of companies supporting energy efficient equipment or appliances:
 - Serious Materials – **135 employees**¹³
- Sampling of companies supporting renewable energy:
 - Quantum Fuel Systems Technologies Worldwide, Inc., Irvine, CA – **101 employees**¹⁴
 - SunPower Corporation, statewide – **300 employees**¹⁵

Companies That Support Clean Technologies Across a Sampling of States

- Harrison Electric, Whittier, CA – **15 employees**¹⁶
- SMA America of Rocklin, Calif
- Sampling of companies supporting alternative fuel/high efficiency vehicles:
 - ISE Corporation, statewide – **140 employees**¹⁷
 - Achates Power – over **50 employees**¹⁸
 - Propel Fuels, statewide – **21 employees**¹⁹

COLORADO

Colorado has over 17,000 clean energy jobs from over 1,700 companies as of 2007.²⁰

*All companies and employment info, unless otherwise noted, come from the Environmental Defense Fund's Green Jobs Map.*²¹

- Sampling of companies supporting energy efficient equipment or appliances:
 - Johns Manville Corporation, statewide – **700 employees**²²
 - EMC Engineers, Inc., Lakewood, CO – **144 employees**
 - Architectural Energy Corporation, Boulder, CO – **75 employees**
 - EnergyLogic Inc., Berthoud, CO – **29 employees**
 - Alpen Energy Group – **25 employees**⁶
 - eGEA Power Cooling Inc., Lakewood, CO – **20 employees**
 - C&A Companies, Inc., Littleton, CO – **15 employees**
 - The Brendle Group, Fort Collins, CO – **12 employees**
 - Ambient Energy, Denver, CO – **10 employees**
- Sampling of companies supporting renewable energy:
 - Johnson Electric Ltd., Montrose, CO – over **5,000 employees**
 - PPM Energy, Bent County, CO – over **5,000 employees**
 - Crystalline Technology Inc., Pueblo West, CO – at least **1,000 employees**
 - Vestas – over **1,000 employees**.²³

Companies That Support Clean Technologies Across a Sampling of States

- Abound Solar Inc., Northern Colorado – **200 employees**²⁴
- Rocky Mountain Crane Service, Salida, CO – over **250 employees**
- Atlasta Solar Center, Grand Junction, CO – over **100 employees**
- SunEdison, Denver, CO –over **100 employees**
- Simply Radiant Heating Inc., Steamboat Springs, CO – over **50 employees**
- Solarmr LLC, Pueblo, CO – **15 employees**
- SGB USA Inc., Wheat Ridge, CO – **15 employees**²⁵
- NECO Wind, Julesburg, CO – **12 employees**
- juwi solar (JSI)
- Sampling of companies supporting alternative fuel/high efficiency vehicles:
 - Ball Aerospace & Technologies, Boulder, CO – over **2,500 employees**
 - Electric City Motors, Parker, CO – over **500 employees**
 - UQM Technologies – **70 employees**²⁶
- Sampling of other green companies:
 - Curbside Recycling Indefinitely, Inc., Grand Junction, CO – **12 employees**⁶

DELAWARE

Delaware has over 2,300 clean energy jobs from 211 companies as of 2007.²⁷

- Sampling of companies supporting energy efficient equipment or appliances:
 - PTM Manufacturing – at least **9 employees**²⁸
- Sampling of companies supporting renewable energy:
 - Motech Americas, Newark, DE – over **70 employees**²⁹

Companies That Support Clean Technologies Across a Sampling of States

- Sampling of companies supporting alternative fuel/high efficiency vehicles:
 - Autoport Inc., Wilmington, DE – **70 employees**³⁰
- Sampling of other green companies:
 - Dupont, Edge Moor, DE – **300 employees** producing pigments and solar materials³¹
 - Sansoil International, New Castle, DE – **7 employees** (with plans to hire 50 more)³²

ILLINOIS

Illinois has more than 28,000 clean energy jobs from over 2,000 companies as of 2007.³³

- Sampling of companies providing pollution control systems, equipment, supplies, or services (for sulfur dioxide, nitrogen oxides, or particulate pollution)³⁴:
 - Fuel Tech, Inc., Warrenville, IL
 - Sargent and Lundy LLC, Chicago, IL

*Unless otherwise noted, the company and employment information below comes from the Environmental Defense Fund's Green Economy Map of Illinois.*³⁵

- Sampling of companies supporting energy efficient equipment or appliances:
 - Independence Tube Corporation, Chicago, IL – **241 employees**
 - Rubicon Technology, Franklin Park, IL – **144 employees**
 - Opto Technology Inc., Wheeling, IL – **50 employees**
- Sampling of companies supporting renewable energy:
 - Trinity Structural Towers, Bloomington, IL – **174 employees**³⁶
 - Wanxiang America Corp., Rockford, IL – at least **10 employees**³⁷
 - Winergy AG, Elgin, IL – **30 employees**

Companies That Support Clean Technologies Across a Sampling of States

MARYLAND

Maryland had over 12,000 clean energy jobs from more than 1,100 businesses as of 2007.⁴⁷

- Sampling of companies providing pollution control systems, equipment, supplies, or services (for sulfur dioxide, nitrogen oxides, or particulate pollution)⁴⁸:
 - Clyde Bergemann, EEC, Hanover, MD
 - Millenium Chemicals, Glen Burnie, MD

MASSACHUSETTS

Massachusetts had over 26,000 clean energy jobs from more than 1,900 businesses as of 2007.⁴⁹

- Sampling of companies providing pollution control systems, equipment, supplies, or services (for sulfur dioxide, nitrogen oxides, or particulate pollution)⁵⁰:
 - Babcock Power, Inc., Worcester, MA

MICHIGAN

- **Michigan has more than 109,000 green jobs**, including both direct green employment (97,000) and support jobs.⁵¹
- **As of 2007, there were more than 1,900 companies** in Michigan that supported clean technology.⁵²
- Between 2005 and 2008, as overall employment in Michigan fell by 5.4%, employment in the green economy grew by 7.7%.⁵³

Companies That Support Clean Technologies Across a Sampling of States

- Since 2008, Michigan has announced the creation of approximately 90,000 clean energy jobs from 47 companies that are investing more than \$9.4 billion in the state.⁵⁴

*Unless otherwise noted, companies and employment information comes from the Environmental Defense Fund's Green Economy Map of Michigan.*⁵⁵

- Sampling of companies supporting energy efficient equipment or appliances:
 - Insulspan, Blissfield, MI – **100 employees**
 - Nichia America Corporation, Wixom, MI – at least **50 employees**
 - Hybrid Homes, Inc., Muskegon, MI – **14 employees**
- Sampling of companies supporting renewable energy:
 - Solar companies like Hemlock Semiconductor, Solar Ovonic, Dow Solar, and Global Watt have created **6,300 jobs** in Michigan.⁵⁶
 - United Solar Ovonic, Greenville, MI – **300 employees**⁵⁷
 - Hemlock Semiconductor, Hemlock, MI – **250 employees**, annually produces 36,000 metric tons of polycrystalline⁵⁸
 - There are 17 wind manufacturing companies in Michigan, which represent \$270 million in investment and **more than 5,600 jobs**.⁵⁹
 - Citation Corporation, Grand Rapids, MI – at least **1,000 employees**
 - Dowding Industries, Eaton Rapids, MI – **170 employees**
 - Energetx Composites, LLC, Holland, MI – at least **18 employees**⁶⁰
 - Merrill Tool and Machine, Saginaw, MI – **35 employees**⁶¹
- Sampling of companies supporting alternative fuel/high efficiency vehicles:
 - Cascade Engineering, Grand Rapids, MI – **over 5,000 employees**; \$285 million in annual sales
 - General Motors Detroit-Hamtramck Assembly Center (builds the Chevy Volt) – **1,100 workers**⁶²

Companies That Support Clean Technologies Across a Sampling of States

NEW JERSEY

New Jersey had over 25,000 clean energy jobs from more than 2,000 businesses as of 2007.⁷⁰

- Sampling of companies providing pollution control systems, equipment, supplies, or services (for sulfur dioxide, nitrogen oxides, or particulate pollution)⁷¹:
 - Belco Technologies Corporation, Parsippany, NJ
 - BASF Corporation, Union, NJ
 - Hitachi Power Systems America, Ltd., Baskin Ridge, NJ

NEW YORK

New York had over 34,000 clean energy jobs from 3,323 businesses as of 2007.⁷²

- Sampling of companies providing pollution control systems, equipment, supplies, or services (for sulfur dioxide, nitrogen oxides, or particulate pollution)⁷³:
 - Corning, Incorporated, Corning, NY
- Sampling of companies supporting energy efficient equipment or appliances:
 - General Electric, Schenectady, NY – over **4,000 employees**⁷⁴
- Sampling of companies supporting renewable energy:
 - AWS Truepower, Albany, NY – **85 employees**⁷⁵
 - The Radiant Store, Malta, NY – **7 employees**⁷⁶
- Sampling of companies supporting alternative fuel/high efficiency vehicles:
 - Nova Bus, Plattsburgh, NY – **200 employees**⁷⁷
